

# BECOMING A K-12 DINNER TABLE SCHOOL PARTNER

Dinner Table is a community of parents raising kids to create value in the world. And a place to go for practical family wisdom and build on it.

**Benefits for a K-12 school becoming a Dinner Table partner:**

## **Parent engagement**

The Dinner Table program takes parents on a value-creation journey that is evergreen and significantly increases parent engagement with the school and with each other

## **Student engagement**

Improve how students show up at home and their productive engagement in the classroom

## **Student enrollment**

Significantly increase student enrollment from families being exposed to the Dinner Table Method

## **Lesson plans**

Supporting curriculum by grade level for the classroom

## **Additional Revenue from virtual community**

Local, national and international

### **Investment:**

- \$15K start up cost
- \$500 per month for access and training

**Grants available to those who qualify.**

## **Your steps to becoming a Dinner Table School Partner**
